

AVIA 101 Field Trip

Saturday, October 13th 11:00AM

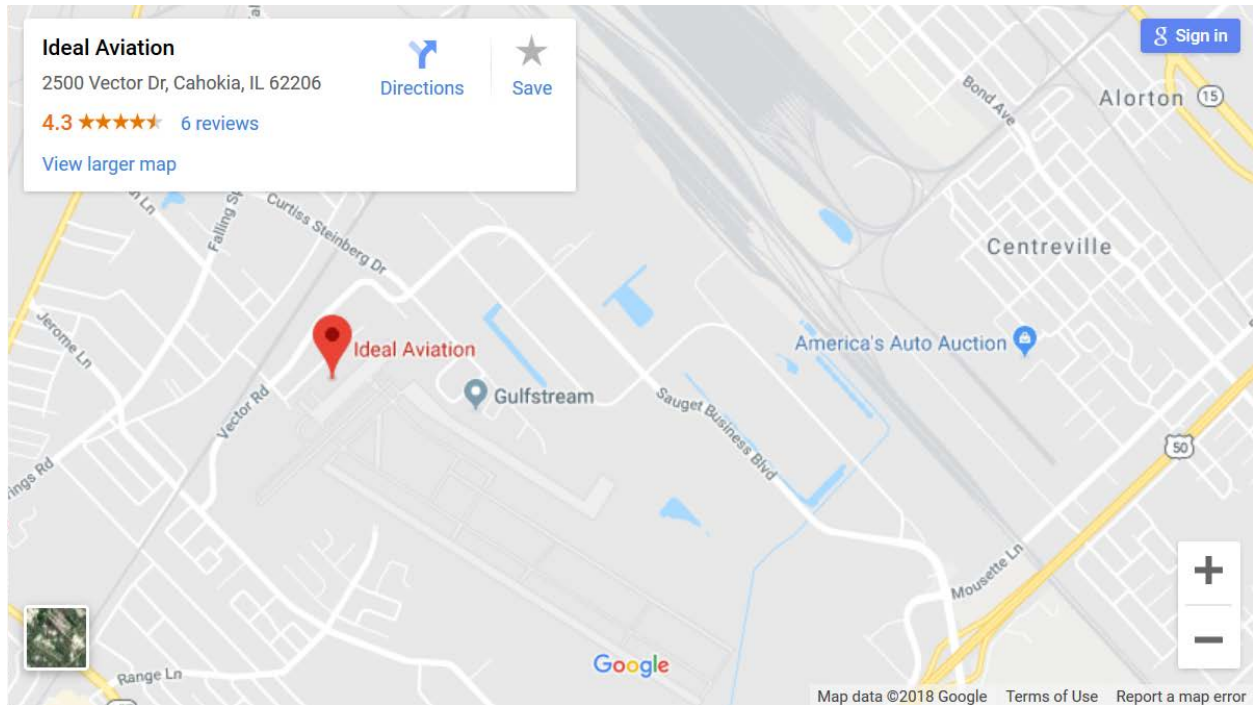

The SWIC Private Pilot Course will take a field trip to Ideal Aviation this Saturday.

To avoid delays, please follow the driving directions below. GPS and online mapping services usually direct you over the train tracks. These routes direct you to the overpass.

From Downtown St. Louis

1. **Cross the Poplar Street Bridge** to the IL Rt. 3 South Exit
2. **Turn Left** onto Queeney Avenue (at stop light)
3. **Follow** Queeney Right onto Falling Springs Rd
4. **Turn Left** onto Curtiss Steinberg Drive
5. **Turn Right** onto Vector Drive (at stop sign)
6. **Continue** on Vector around the west side of the airport
7. **Turn Left** onto Airflight Drive
8. **Turn Left** through the parking lot past the two historic Curtiss-Wright hangars
9. **Ideal Aviation** is to your right after you enter through the gate (call box)

From Interstate 255

1. **Exit 15** onto Mousette Lane / Sauget Industrial Parkway
 - o From 255 North, you will Turn Left
 - o From 255 South, you will Turn Right
2. **Continue** on Sauget Industrial Parkway (*Note that Sauget Industrial Parkway becomes Vector Drive where it crosses Curtiss Steinberg Drive*)
3. **Continue** on Vector around the west side of the airport
4. **Turn Left** onto Airflight Drive
5. **Turn Left** through the parking lot past the two historic Curtiss-Wright hangars
6. **Ideal Aviation** is to your right after you enter through the gate (call box)

Any questions, please contact Eric at 618-530-1961 or 618-229-8597. See you there!
